

If you're planning a bit larger garden make-over this spring, these guys might just have what you need!

Selby Plant Hire are located at Drax just south of Selby, North Yorkshire. There is easy access to the M62 for those not in the Selby area and the A1041 is only a couple of minutes from us.

We have a wide range of Plant Vehicles available for hire, including Dumpers, Excavators and Telehandlers etc., on short or longer term hire agreements. [Click here](#) to see our present stock.
