

Northern living was acquired by Metacraft in later May 2014. After a re-design and the inclusion of some of the pre-existing articles it was relaunched on 1st of June. The monthly statistics reveal that we had 30454 unique visitors in June! Well what can I say, thank you all for calling by and I hope you found something interesting...

We've some interesting articles planned for the coming weeks and if you feel we're neglecting something important you can always submit your articles and vies here, we'd love to hear from you. Last month Mary J. from Oldham sent us a selection of [traditional Lancastrian dishes](#). So who's going to take up the mantle for Yorkshire this month?!!

So let's see what July has in store.....

As well as general interest articles we have various low cost advertorial opportunities if you would like to promote your business. Rates and information can be [found here](#).
