Introducing Champagne Thienot

For the past 25 years Alain Thiénot has been laying the foundations for a new ?Champagne House?, forever faithful to key values ? quality, modernity and luxury ? that has allowed this appellation brand to become so famous. This daring creation, in a domain whose greatest names first appeared in the 18th century, is exemplary of the determined entrepreneur?s personality, a combination of his value of terroir, savoir faire and a sharing of knowledge. This adventure has given birth to a ?French Brand? of international stature, in collaboration with his two children Garance and Stanislas, they have achieved an ideal marriage of prestige and creativity. Alain Thiénot Champagne is emblematic of this great 21st Century wine house; Exclusive, International and Modern.
