

We're a local family who took over the shop at the site of the old Hunters Garage in 2011. We chose it because it's easy to get to on the main A658 to Harrogate and close to the local communities of Pool, Huby, Leathley and only 10 minutes from Bramhope, Otley or Leeds Bradford airport.

It still looks like a Petrol Station from the outside but inside we've modernised everything to today's standards and put in a brand new shop, kitchen and café. We've kept the large windows with the stunning views of the Chevin and surrounding fields. Nature has even provided a pond beside us for the ducks and birds to enjoy.

We've got three clear objectives

To offer you the best local food from local farmers and producers to buy, eat in the café or cook at home.

To provide local farmers and producers another outlet alongside their own farm shops or farmers markets.

To support the local community, the rural economy and the environment providing a meeting place for local family and friends while promoting the best of Yorkshire to the many passing tourists.

Suzannah our family director and manager is a self confessed foodie. She loves her cheese. Ask her for her favourites. All our cheese is supplied by cheesemongers Cryer and Stott. Try the Fountains Gold, Traditional Wensleydale, Ribblesdale or Smoked Ribblesdale goat's cheese, Richard III, Shepherd's Purse Yorkshire Blue and Yorkshire Fettle or Yorkshire Brie. On the deli counter you'll also find Award winning Kendall's pork pies, Red Tractor luxury scotch eggs and ARE Olives range of Olives.

**The Local Pantry Shop & Café,
Harrogate Road,**

Leathley near Pool,

Otley.
